))	

ON THE APPLICATION of the Plaintiffs, coming on for hearing at Vancouver, British Columbia, on 03/JUL/2024, and on hearing Paul R. Bennett and Naomi Kovak, counsel for the Plaintiffs, Melanie Harmer and Areej Fatima, temporary articulated student, counsel for the Defendant Affinor Growers Inc., and Natasha John, counsel for the Defendant Nicholas Brusatore, and no one appearing for the remaining Defendants.

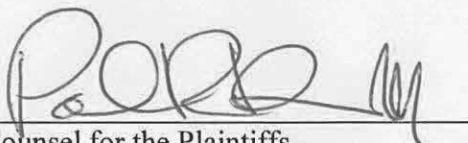

THIS COURT ORDERS that:

1. The Affinor Growers Inc. Settlement Administration Plan (the “**Affinor SAP**”), attached as Schedule “A” to this Order, is approved and shall be implemented and enforced in accordance with its terms, and except to the extent modified by the Order approving the Affinor SAP, the definitions set out in the Affinor SAP apply to and are incorporated in the Order.
2. Analytics Consulting LLC (“**Analytics**”) is appointed the Administrator for the purposes of the Affinor SAP, on the terms and conditions set out in its proposal dated April 17, 2024, with the powers, rights, duties and responsibilities set out in the Affinor SAP, subject to this Order and any further order as may be obtained, to serve until such time as the Net Settlement Fund is distributed in accordance with the Affinor SAP.
3. After the date that is thirty-one (31) days after the making of this Order, Class Counsel may transfer the Settlement Fund, less approved class counsel fees, disbursements, notice costs, and applicable taxes, to an account at a Canadian Schedule 1 bank under the control of the Administrator (“**Escrow Settlement Fund**”).
4. The Administrator, in accordance with its proposal dated April 17, 2024, may invoice Class Counsel monthly for the services provided under its proposal in respect of the Affinor SAP. Upon approval by Class Counsel, the Administrator shall pay those invoices from the Escrow Settlement Fund.

5. If, at any time, the Administrator believes the average costs per claimant (excluding the project setup costs) will exceed those set out in its proposal by more than 10%, it shall notify Class Counsel immediately. Upon receiving such notice, Class counsel shall bring a short leave application for the Court's approval of the exceedance, or such other direction as the Court may consider appropriate.
6. Upon the conclusion of the settlement administration, and before distribution of the Net Settlement Fund to the Authorized Claimants, the Administrator shall report to the Court on the settlement administration and shall account for all monies it has received, administered, and proposes to distribute in accordance with the Affinor SAP.
7. No claims shall lie against Class Counsel, or the Administrator based on distributions made substantially in accordance with the Affinor SAP, or with any other order or judgment of the Court.
8. To assist the Plaintiffs in the settlement administration, Affinor Growers Inc. is hereby authorized and directed to provide, within 14 days of this Order, any available list of names and mailing addresses of the non-objecting beneficial owners of Affinor shares in its possession (the "**NOBO lists**") that were prepared for Affinor's 2018 and 2019 Annual General Meetings to Class Counsel. If no such NOBO lists are currently available, then Affinor will deliver a list of any available names and mailing addresses of the non-objecting beneficial owners of Affinor shares in its possession that was used for Affinor's 2021 Annual General Meeting.
9. The postcard notice advising of the settlement and the claims deadline (the "**Postcard Notice**"), in the form attached as Exhibit "C" to the Affidavit #10 of Mark W. Munteer made June 11, 2024 ("**Munteer Affidavit #10**"), is approved.

 - (b) mail the Postcard Notice to all other potential Affinor Class Members for which Class Counsel has contact information; and
 - (c) upload the Long Form Notice on Class Counsel's website relating to the action.
13. The payment, from the Settlement Fund, of the cost of the Postcard Notice to be issued pursuant to this Order, in an amount not to exceed \$12,500 plus tax, is approved.
14. The payment pursuant to Class Counsel's retainer agreement with the representative Plaintiffs, previously approved by this Court by Order made April 8, 2022, of Class Counsel's legal fees, disbursements, and taxes thereon, in the amount of \$469,129.35, consisting of \$402,000 in legal fees, \$48,240 in taxes thereon and \$18,889.35 in disbursements (inclusive of taxes), is approved.

- w. “**Settlement Fund**” means the amount of \$1,340,000 held by Class Counsel in trust pursuant to the Settlement Approval Order.

¹ The deemed disposition price is unadjusted for the one-for-ten (1:10) share consolidation carried out by Affinor on June 20, 2022.

I. OBJECTIVE

2. The objective of this Settlement Administration Plan is to distribute the Net Settlement Fund among Authorized Claimants equitably, efficiently, and in a manner proportionate to the amount of the Settlement.

II. ELIGIBILITY TO CLAIM COMPENSATION

3. All Affinor Class Members are eligible to claim compensation for the losses suffered from their acquisition of Eligible Affinor Shares, in an amount to be determined in accordance with this Settlement Administration Plan.

4. Class Members who are not Affinor Class Members are not eligible to claim compensation from the Settlement Fund. Such Class Members will benefit from the Settlement both from the cooperation the Settling Defendants will provide to Class Counsel in the continued prosecution of the Action against the remaining Defendants and, if applicable, the payment of Class Counsel's litigation expenses from the Settlement Fund.

III. MAKING A CLAIM

5. To claim compensation from the Net Settlement Fund, Affinor Class Members must complete a Claim by the Claims Bar Deadline.

6. Claims received by the Administrator after the Claims Bar Deadline will not be considered by the Administrator unless, pursuant to paragraph 43, Class Counsel and the Administrator consider it appropriate to do so, and no payment will be made from the Net Settlement Fund in respect of such Claims.

IV. OPTING-OUT

7. Affinor Class Members who do not wish to participate in or be bound by the Settlement may opt-out of the Settlement and the Action by notifying Class Counsel in writing, no later than the Claims Bar Deadline, to mm@hbmlaw.com, that they wish to opt-out of the Settlement and the Action.

8. An opt-out notification will not be valid unless it contains all of the information set out in paragraph 9 below and, if requested by Class Counsel under paragraph 10, supported

by additional documents.

9. An opt-out notification must:

- a. state the intention of the Affinor Class Member or a person authorized to bind the Affinor Class Member to opt-out of the Action;
- b. state the number of Affinor shares held at the close of trade on March 2, 2018;
- c. state the number of Affinor shares bought and sold between March 5, 2018 and November 26, 2018;
- d. state the number of Affinor shares sold after November 26, 2018 and up to the date of the request to opt out;
- e. contain contact information for the Affinor Class Member, including name, address, telephone number and e-mail address; and
- f. contain such other information as the Court may require.

10. Class Counsel may request that any Affinor Class Member who has submitted an opt-out notification provide additional supporting documents as may be needed to evidence their eligible shares, which may include trade confirmations, brokerage statements or other records acceptable to Class Counsel.

11. Affinor Class Members who deliver an opt-out notification in accordance with this Settlement Administration Plan will not be entitled to receive compensation from the Settlement Fund or any further settlement with or judgment that may be obtained against the Non-Settling Defendants in the Action in the future.

12. Class Members who are not Affinor Class Members are not entitled to opt-out of the Settlement and are not entitled to opt-out of the Action at this time.

V. CLAIMS VERIFICATION

13. The Administrator will review each Claim and verify that the Claimant is eligible for compensation from the Net Settlement Fund, as follows:

- a. For a Claimant claiming as a Class Member, the Administrator will be satisfied that the Claimant is a Class Member who bought Eligible Affinor Shares; and
- b. For a Claimant claiming on behalf of a Class Member or a Class Member's estate, the Administrator will be satisfied that: (i) the Claimant has authority to act on behalf of the Class Member or the Class Member's estate in respect of financial affairs; (ii) the person or estate on whose behalf the claim was submitted was a Class Member who purchased Eligible Affinor Shares; and (iii) the Claimant has provided all supporting documentation required to make a Claim, or alternative supporting documentation as may be acceptable to the Administrator and Class Counsel.

14. In a situation not referred to above, the Administrator will determine verification steps by analogy, in consultation with Class Counsel where the Administrator believes necessary.

15. The Administrator will ensure that Claims are made only in respect of Eligible Affinor Shares.

VI. CLAIMS PROCESSING RULES

16. The Administrator will apply FIFO to find purchase transactions that correspond to the sale of Eligible Affinor Shares, including in the calculation of an Authorized Claimant's Notional Entitlement.

17. The Administrator will first find whether a Claimant has a Net Loss. A Claimant is not eligible to receive a payment from the Net Settlement Fund if they do not have a Net Loss.

18. If the Claimant has a Net Loss, they become an Authorized Claimant, and the Administrator will go on to calculate their Notional Entitlement.

19. Eligible Affinor Shares transferred between accounts belonging to the same Claimant(s) during the Class Period will not be considered Eligible Affinor Shares for the purpose of calculating Net Loss unless those shares were initially purchased by the Claimant(s) during the Class Period. In such cases, the Acquisition Expense will be calculated based on the price initially paid for the Eligible Affinor Shares (i.e., the price paid before the transfer of Eligible Affinor Shares occurred).

20. The date of a purchase or sale will be the trade date of the transaction, as opposed to the settlement date of the transaction or the payment date.

21. The Administrator will account for Affinor's June 20, 2022, one-for-ten (1:10) share consolidation, such that Claimants' holdings for the purposes of the calculations are completed in units equivalent to those traded during the Class Period.

22. Where a Claimant acquired Eligible Affinor Shares from the exercise of Affinor share purchase warrants, the Acquisition Expense for the Eligible Affinor Shares so acquired will be equivalent to the total amount paid to exercise the share purchase warrants.

23. Where a Claimant acquired Eligible Affinor Shares in connection with his, her or its acquisition of Affinor units under its April 17, 2018, private placement, the Acquisition Expense for those Eligible Affinor Shares will be equivalent to the total amount the Claimant paid to acquire the Affinor units.²

24. In determining whether a Claimant has a Net Loss and calculating an Authorized Claimant's Notional Entitlement, any transactions in Eligible Affinor Shares on the OTCQX, Börse FRA, and/or in a currency other than Canadian currency will be converted to Canadian currency, based on the Bank of Canada noon exchange rate between the Canadian dollar and the foreign currency on the date the Administrator calculates the Notional Entitlement of the

² Under the April 17, 2018 private placement, each Unit comprised one common share and one common share purchase warrant.

Authorized Claimant. All Notional Entitlements will be recorded in Canadian currency.

VII. CALCULATION OF NOTIONAL ENTITLEMENT & ACTUAL COMPENSATION

25. An Authorized Claimant's Notional Entitlement will be calculated as follows:

- a. **For Eligible Affinor Shares disposed of either during the Class Period or during the ten (10) trading day period following November 26, 2018, i.e. disposed of from March 5, 2018 to December 10, 2018, inclusive**, the amount equal to the number of Eligible Affinor Shares disposed of, multiplied by the difference between the Acquisition Expense and the Disposition Proceeds;
- b. **For Eligible Affinor Shares disposed of after December 10, 2018**, the lesser of (i) and (ii) below:
 - (i) the amount equal to the number of Eligible Affinor Shares disposed of, multiplied by the difference between the Acquisition Expense and the Disposition Proceeds; and
 - (ii) the amount equal to the number of Eligible Affinor Shares disposed of, multiplied by the difference between the Acquisition Expense and \$0.048 per share, being the pre-consolidation ten (10) trading day volume weighted average closing price of Affinor shares on the CSE from November 27, 2018 to December 10, 2018; and
- c. **For Eligible Affinor Shares still held when the Claim is made**, the amount equal to the number of Eligible Affinor Shares still held, multiplied by the difference between the Acquisition Expense and \$0.048 per share, being the pre-consolidation ten (10) trading day volume weighted average closing price of Affinor shares on the CSE from November 27, 2018 to December 10, 2018;

26. Each Authorized Claimant's **actual compensation will be the portion of the**

Net Settlement Fund equivalent to the ratio of his, her or its Notional Entitlement to the total Notional Entitlements of all Authorized Claimants multiplied by the Net Settlement Fund, as calculated by the Administrator.

VIII. COMPLETION OF CLAIMS & IRREGULAR CLAIMS

27. If, for any reason, a Claimant is unable to complete a Claim, then it may be completed by the Claimant's personal representative or a member of the Claimant's family.

28. Where a Claim has minor omissions or errors, the Administrator will correct such omissions or errors if the information necessary to do so is readily available to the Administrator.

29. If, after reviewing a Claim, the Administrator believes that it has unintentional errors that would, if not corrected, materially exaggerate a Claimant's Notional Entitlement, then the Administrator may disallow the claim in its entirety or make such adjustments as are necessary so that an appropriate, supportable Notional Entitlement is awarded to the Claimant.

IX. CLAIMS PROCESSING TIMELINE & NOTICE TO CLAIMANTS OF INITIAL DETERMINATIONS

30. The Administrator will try to complete claims processing as soon as possible following the Claims Bar Deadline, and in any case not later than 90 days following the Claims Bar Deadline.

31. Within 30 days of the Administrator's completion of claims processing, the Administrator will send to each Claimant, at the email or postal address provided by the Claimant, a notice advising the Claimant:

- a. of the Administrator's Initial Determination; and
- b. how to submit a request with the Administrator for reconsideration of the Administrator's Initial Determination; and
- c. any further information or documentation needed to cure any deficiency in the Claim.

X. REQUESTING RECONSIDERATION OF AN INITIAL DETERMINATION

32. A Claimant who wishes to request that the Administrator reconsider the Administrator's Initial Determination must follow the instructions contained in the notice, referred to in paragraph 31 above, for how to do so.

33. A request that the Administrator reconsider the Administrator's Initial Determination must be made within 45 days of the date of the notice advising of the Administrator's Initial Determination.

34. If a Claimant does not, within 45 days, request the Administrator reconsider the Administrator's Initial Determination, the Claimant will be deemed to have accepted the Administrator's Initial Determination and it will become a final determination.

35. Where a Claimant files a request with the Administrator for reconsideration of the Administrator's Initial Determination, the Administrator will, within 45 days, conduct a review of the Claimant's request and, if applicable, any further documentation and information given by the Claimant.

36. As soon as practicable following the Administrator's review of a request for reconsideration, and in any case not later than 14 days following the Administrator's completion of its review, the Administrator will advise the Claimant and Class Counsel of its determination of the review, and will send the Claimant, at the email or postal address provided by the Claimant, a notice specifying the outcome of the Administrator's review.

37. Where a Claimant who has submitted to the Administrator a request for reconsideration of the Administrator's Initial Determination disagrees with the outcome of the Administrator's review, the Claimant may apply to the Court, in the Action, to request that the Court review and vary the Administrator's review determination.

38. An application filed in the Court to review and vary the Administrator's review determination must be brought on notice to the Administrator and Class Counsel within 21 days of the date of the notice advising of the Administrator's review determination.

39. Class Counsel and the Administrator will have standing to file evidence and make

submissions on an application to the Court to review and vary a review determination of the Administrator.

40. Any matter not contemplated above will be determined by analogy by the Administrator in consultation with Class Counsel.

XI. FINAL DISTRIBUTION

41. Compensation will be paid to Authorized Claimants in Canadian currency.

42. If, one hundred and eighty (180) days from the date on which the Administrator distributes the Net Settlement Fund to Authorized Claimants, there remains a positive balance in the Net Settlement Fund (whether due to tax refunds, uncashed cheques, or otherwise), the Administrator will, if feasible, reallocate such balance among the Authorized Claimants in an equitable and economic fashion. Any payment shall be subject to paragraph 46.

43. By agreement between the Administrator and Class Counsel, any deadline contained in this Settlement Administration Plan may be extended. Class Counsel and the Administrator will agree to extend a deadline(s) if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

XII. FRAUDULENT CLAIMS

44. The claims process is intended to be expeditious, cost effective and user friendly to minimize the burden on Claimants. However, the claims process is also intended to prevent fraud and abuse. The Administrator will, in the absence of reasonable grounds to the contrary, assume Claimants to be acting honestly and in good faith.

45. If the Administrator believes that a claim is fraudulent or contains intentional errors that would materially exaggerate the Notional Entitlement to be awarded to a Claimant, then the Administrator must disallow the claim in its entirety.

XIII. ADDITIONAL RULES

46. The Administrator will not make payments to Authorized Claimants whose *pro*

rata entitlement under this Settlement Administration Plan is less than CDN \$30.00. Such amounts will instead be allocated *pro rata* to other Authorized Claimants in accordance with the “Final Distribution” section of this Settlement Administration Plan.

47. A Claimant must notify the Administrator of any changes to his, her or its email and postal address that are provided by the Claimant at the time of Claim submission. The Administrator is not required to independently obtain forwarding email or postal address information should a Claimant fail to notify the Administrator of any such change.

48. The Administrator will make payment to an Authorized Claimant by cheque to the address provided by the Authorized Claimant. If, for any reason, an Authorized Claimant does not cash a cheque within one hundred and eighty (180) days after the date on which the cheque was sent to the Authorized Claimant, the Authorized Claimant will forfeit the right to payment from the Net Settlement Fund and the Authorized Claimant’s funds shall be distributed in accordance with Part XI of this Settlement Administration Plan.
